SOCIAL ENGAGEMENT

Making time to celebrate, in small and big ways, sparks more everyday joy. All of our communities offer social activities and events that foster friendships and a sense of belonging. We also make food a celebration through special dinners, family-time meals and unique menus.

ART THERAPIES

We use art for many purposes, from personal enrichment to therapeutic practice. Art offers a way for seniors to express themselves and to share bonds with peers and loved ones that go beyond memories and words.

CITY OUTINGS

We help seniors enjoy the vibrant city and diverse cultures all around us. We organize scenic drives and visits to Chicago's best destinations for shopping, the arts and dining out. Through partnerships with other organizations around Chicago, we also bring the best of the city to our communities with education, arts and cultural events.

LEARNING EVENTS

Through events and special programs, we educate seniors and loved ones on a wide range of topics that can help them get more out of their lives and care.

COMPLEMENTARY THERAPIES

Our skilled caregivers stay at the forefront of complementary therapies that can provide seniors with better medical recovery, memory care and emotional wellbeing.
